Eco-Fashion Week

Volunteer

2016

Assisted with styling and helped with final decisions on looks. Participated in dressing and undressing models. Assisted with setting and cleaning up the venue.

PROFILE

Joyce is a New York based designer who is interested in cleanness and sharpness of the silhouettes; subtle colors with rich details and patterning. Through shapes and line motions, she explores personal nostalgia, experience and emotions. Joyce enjoys designing for the idea of easiness and comfort while not compromising aesthetic. She is always driven and eager to learn and expand on her knowledge.
